## DEMOCRATIC RALLY IS POSTPONED AND MEETING LAST NIGHT ADJOURNED

Instead of holding a democratic rally as was originally planned, the gathering at the Nevada theater last night was turned into a memorial service out of respect of the memory of Puddy Grimes, who died at his home in this city yesterday afternoon.

The program for the meeting last evening called for speeches by Senator Newlands, Clay Tallman, democratic candidate for congress, Pat McCarran, candidate for supreme judge, and a number of local candidates. The Tonopah military band had been engaged, and after playing several stirring pieces on the streets, took up the march to the theater.

H. R. Cooke, chairman of the meeting, in calling the assemblage to order, stated that owing to the death of Mr. Grimes, the gathering would adjourn after a few words of a memorial nature had been delivered. In speaking Mr. Cooke paid a splendid tribute to the memory of the deceased. The recent misfortune of Sheriff Ed Malley was also mentioned and the hope was expressed that the popular official would speedily recover.

District Attorney Sanders, Clay Tallman and Pat McCarran also spoke, eulogizing the official and private life of Puddy Grimes. The eulogies were of such a nature that tears were brought to the eyes of many of the listeners, which in itself was a splendid tribute to the memory of the deceased.

Hugh H. Brown suggested that a committee of five be appointed with instructions to draft suitable resolutions, expressing condolence to the bereaved family of Mr. Grimes, and also expressing sympathy to Sheriff Malley. Chairman Cooke appointed upon this committee Mr. Brown, Senator T. J. Bell, Eugene Howell, Dan Robb and Steve Clark.

After the appointment of the committee the meeting was summarily adjourned, the band playing "Nearer My God to Thee" as the crowd silently and sorrowfully filed out of the hall.

back to Reno. Today, now that the operation has been successfully performed and Mrs. McCarran is on the road to recovery, efforts are being made to locate Mr. McCarran, who is somewhere in the southern part of the state.

Mrs. McCarran suffered a severe attack Saturday morning and before evening the illness became such that it was found necessary to perform an emergency operation for appendicitis. The crisis approached so rapidly after the illness began that there was no time to notify Mr. McCarran when it became serious before the operation became necessary.
